MEDICAL DIRECTOR 068

DEPARTMENT: Community Services/WAMAC/Olde Towne Medical Center

NATURE OF WORK:

Assists in providing supervision of the delivery of health care and related services to patients. Ensures that services delivered are in compliance with applicable laws, rules, and regulations and that services are delivered within the context of applicable standards of professional practice in the local community, state and country at large.

Assists the Executive Director in the development and implementation of programs, procedures and policies at Olde Towne Medical Center.

The Medical Director reports to the Executive Director.

ESSENTIAL FUNCTIONS OF THE JOB:

Supervises and evaluates the work of the volunteer physicians.

Acts as liaison between the volunteer physicians, the Executive Director, the Olde Towne Medical Center Board of Directors and the local medical community.

Assists with the development and implementation of protocols.

Acts as a consultant to the nurse practitioners, physicians, and clinic staff as appropriate.

Acts as director of the clinical laboratory.

Conducts physical exams and patient assessments, establishes treatment plans, orders appropriate diagnostic tests, and prescribes appropriate medication within parameters of established and approved formulary, as defined by the State Board of Medicine as well as the Scope of Practice as defined by national professional groups.

Performs work safely in accordance with departmental safety procedures and the County Safety Program. Operates equipment safely and reports any unsafe work condition or practice to supervisor.

Performs other duties as required.

JOB LOCATION AND EQUIPMENT OPERATED:

Duties are performed at the Olde Towne Medical Center in a primary care medical clinic setting. Operates general office equipment including computer.

REQUIRED KNOWLEDGE, SKILLS, AND ABILITIES:

Ability to collaborate with multiple paid and volunteer full- and part-time provider staff from a variety of disciplines, projects and external agencies.

Knowledge of public health clinical care principles and practices, and wellness concepts.

Good diagnostic skills.

Ability to plan and supervise the work of others.

Ability to work under pressure in a fast paced clinic setting.

Ability to work and communicate effectively with persons of various multicultural and socioeconomic backgrounds.

MINIMUM QUALIFICATIONS:

Must be a Virginia Licensed and Board Certified Internist, Pediatrician, or Family Practitioner with Virginia prescriptive authority. Previous experience in coordination, supervision, and direction of a multifaceted health care practice preferred.
